

Resolution 2012-03-09

**Resolution Awarding Contract
For Standpipe System Test & Removal of Old Hoses**

Whereas, the Town of Dover's Fire Official has requested that the Housing Authority remove twelve existing fire hoses and racks at the John Rich Senior Building and that a five year Hydrostatic test be conducted on the Standpipe System;

Whereas, the Housing Authority solicited proposals and the lowest proposal received was submitted by Associated Fire Protection for \$800 for the Standpipe Test and an hourly rate of \$135 (4 hour Minimum) for the removal of the hoses;

Now, therefore be it resolved that, the Board of Commissioners of the Housing Authority Town of Dover does hereby approve the proposal of Associated Fire Protection to perform a 5 Year Hydrostatic test on the Standpipe System and for the removal of the twelve hoses and hose racks.

Motion by Commissioner Picciallo

Second by Commissioner Toohey
